

RENAISSANCE

The Creative Writing & Fine Arts Society

Introduction:

"Renaissance", which implies the period wherein art was revived in the 14th and the 15th century in Europe, is the Creative Writing and Fine arts' society of Swami Shraddhanand college, University of Delhi. Renaissance society came into existence in the year 2018 when our seniors and super-senior resolved, as the name suggests, to revive art (literature and fine arts) in our college. Ever since then, Renaissance has marched forward with its exemplary talent and has bagged a lot of prizes and titles and has earned its name amongst other Literary and Fine arts' society.
