Defining the motto of NCC that is **“UNITY & DISCIPLINE”**. 6 Delhi Battalion Army division of Swami Shraddhanad College stands high on this motto and withholds its reputation encouraging youths for the service of nation. It has 3 clear cut aims :

- Development of leadership , character , comradeship & spirit of sportsmanship
- To create a force of disciplined life
- Training for students to develop patriotism and leadership qualities among them.

NCC's training provides both physical and mental strengths. It also develops a feeling of social service and develops adventurous spirit among all its cadets.
