*Aim:* Our freedom is our birthright. It must be defended at all costs. The defense of our country demands that the youth of the country should undergo military training so that their services may be utilized when needed. With this end in view the **NATIONAL CADET CORPS** act was passed in 1948.

We have come a far way now. From not even a single girl participating in NCC, right now we have 120 GIRL CDTs from our college. With its motto of *EKTA AND ANUSHASAN* has been providing our young people with opportunity for self-development and avenues to fulfill their potential for growth.

NCC includes both institutional and adventure training such as-drill, signals, weapons, cultural and medical training. Our college has made obstacles for CADETS development.
