 **Us**

Executive Summary

The year 2025–26 marked another significant milestone for Enactus SSNC, as we continued our mission of creating sustainable impact through student-led initiatives and entrepreneurial action.

Throughout the year, our team successfully organized and participated in multiple projects, awareness drives, and collaborative events aimed at empowering communities and promoting social innovation. With a strong focus on sustainability, skill development, and community upliftment, our initiatives reached a wider audience and created measurable impact.

We also strengthened our internal team structure, welcomed new members, and built meaningful partnerships with organizations and stakeholders. These collaborations helped us expand our reach and bring innovative ideas to life.

Our members demonstrated dedication, leadership, and creativity while working on projects that address real-world challenges. Through workshops, campaigns, and field activities, we continued to foster an environment where students can develop entrepreneurial mindset, leadership skills, and social responsibility.

As we move forward, Enactus SSNC remains committed to driving positive change, empowering communities, and inspiring the next generation of socially responsible leaders.
