AAINA AUDITIONS 2021-22

LAST DATE TO REGISTER – 30TH DECEMBER
AUDITIONS DATE – 4-5-6TH JANUARY

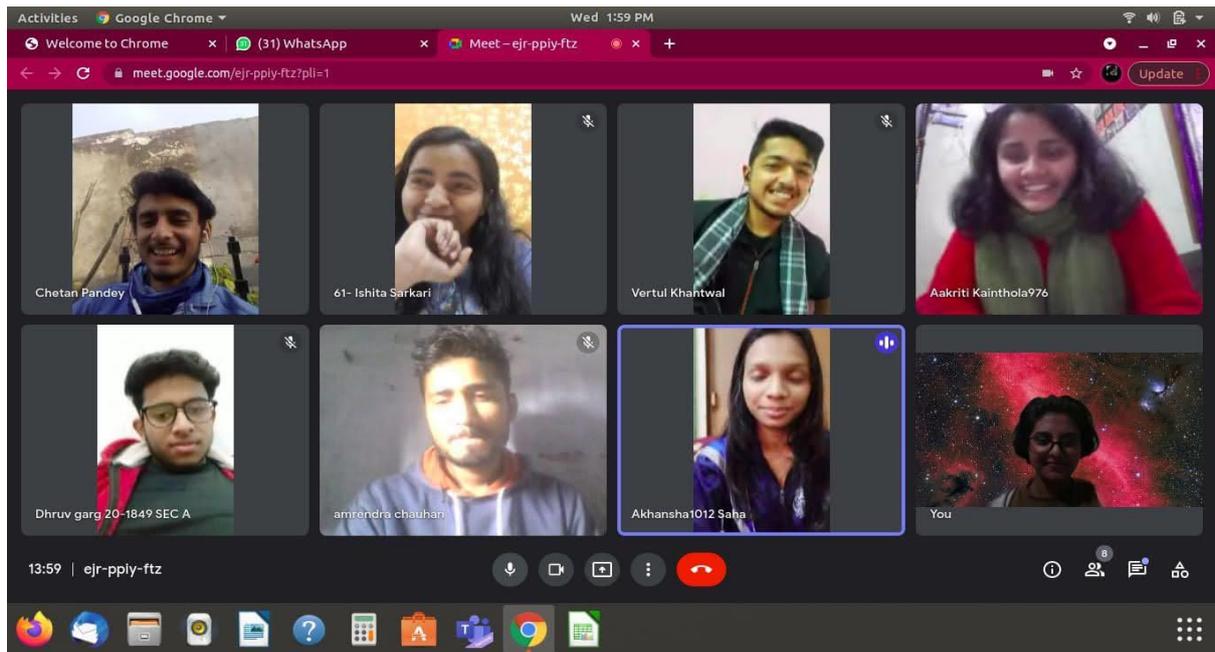

With a lot of enthusiasm and excitement, AAINA - The Dramatics Society of SSNC organized its Auditions for Batch 2021-22.

The auditions opened with AAINA taking entries from the students. A week-long deadline, a Google form link, some titillating tasks and questions for the eager is what best summarises this process.

Team AAINA was amazed by looking at the 70+ entries that included the majority of 1st years and a few 2nd years. With the end of the deadline, the first round of the auditions was completed.

And then came the interview round. Handling such a huge number was not an easy job but it's all in a day's work for AAINA. The members for the team were divided under 3 basic skills of theatre- Writing, Acting and Music. And after 2 days of hectic interviews, the round came to an end.

It was finally time for the dreadful process, time to shortlist the students. Every interviewee however was something special, every entry unique. And so was the final process the most difficult of them all. It involved a lot of critical thinking and a lot of discussions and a total number of 51 students were chosen to join AAINA on its journey. The results of the Auditions 2021-22 were declared soon on January 15, 2022.
