All the Events are divide in 3 Days and are as follows: -

Exhibition consist of 3 sections as under: -

Day1

• Theme:- Evolution of Cinema

> Evolution of cinema, the main purpose of this theme is to show how our cinema has evolved during the past years as well as the change in the culture now a days moving from photography to film making.

We have showed the theme through our camera models, Reel models and our pictures.

• PhotoExhibition

> We have showed some of our best photographs on the main i.e. the big side of tent, the main purpose of exhibiting photographs is to show how our photographers has enhanced their skills and it also helps to motivate newbie photographers that their photos can also Be hanging out their in the next fest.

• FashionMagazineExhibition

> One of the biggest achievements of Lensation in the 2022 was the **R(Evolution)** ~ a complete Fashion Magazine in collaboration with Panache: Fashion society of Rajdhani College. Magazine shows 3 eras of fashion trend and how the trend evolved from late 90s to 2010s to the latest trend.

We have showed some of our best pages of magazine as a hanging photo at the extreme left side of tent.

We have also covered ongoing events of other societies that day.

Day 2

Day 1 of the fest was also mainly dedicated to our **Exhibition**, but on this some of the faculty teachers came to our tent and they appreciated our efforts. Students from different colleges also came to our tent and they also appreciated, We have also covered on going events of other societies that day.

Day 3

Day 3 of the fest was dedicated to the **Photography and Filmmaking Competition**. Our judging panel consisted of 2 Internal judges and 2 external judges.

2 Internal Judges from the College were:

- Dr. Gunjan Arora
- Dr. Nitin (Micro biodept.)

2 External judges were:

- Mr. Ayush Pathak
