METANOIA

The Western Dance Society

Introduction:

Metanoia means change in one's way of life resulting from penitence or spiritual conversion. Metanoia is the western dance society of Swami Shraddhanand college focussed on street dance.

Metanoia is much more than just dancing. It is not a society but a family- it's a way of venting our emotions and expressions and exploring our own self. It promotes happiness, discipline, responsibility, management, unity and a lot more through the medium of dance.

Agendas:

- Our motive is to make our college famous amongst all universities.
- Our mission is to instill a great love of dance, while inspiring self-confidence, discipline and respect of the performing arts.
- Our goal is to give each individual dancer the tools they need to take dance as far as they dream to take it. We believe if you can dream it you can achieve it! We believe in an enriching education and we recognize that every student has something to offer the arts and the arts have something to every dance student.
- Our motive is to provide the knowledge of different dance styles to our members so that they can understand their importance
- Our motive is to be creative every time with our performance.
