

List of publications with ISSN/ISBN numbers and impact factors of journals

Se. No.	International Journal	Paper	ISSN/ISBN numbers	Impact Factor
1	Bulletin of Environmental Contamination and toxicology 1432-0800, 89:587–591, 2012	“Organochlorine Pesticide Residues in Human Blood Samples Collected from Haryana, India and the Changing Pattern” 89:587–591, 2012	1432-0800	2.1
2	Applied Water Science	“Sorption of methylene blue on treated agricultural adsorbents: equilibrium and kinetic studies” Volume 5, Issue 1 , pp 81–88, 2014 DOI 10.1007/s13201-014-0171-0	2190-5495	3.8
3	International journal of Chemical and Environmental Engineering	“The Efficiency Appraisal for Removal of Malachite Green by Potato peel and Neem Bark: Isotherm and Kinetic Studies” 5(2), 83-88, 2014	2078-0737	Global impact factor= 0.367
4	International journal of scientific & Engineering Research	“Decolourisation of Synthetic Dyes by Agricultural Waste- A Review” Volume-3, Issue-2, February 2012,	2229-5518	4.9
5	Rasayan Journal of Chemistry	Efficiency of chemically treated potato peel And neem bark for sorption of direct red-81 dye From aqueous solution Vol. 7, No.4, 399-409, October-December, 2014	0974-1496	1.2
6	Rasayan Journal of Chemistry	Sorption potential of treated plant residues viz. Potato peel and neem bark for removal of synthetic dyes from aqueous solution, Vol. 13 (2), 1063-1073, 2020	0974-1496	1.2
