Action Taken Report on Feedback by Students (2022-2023)

The overall feedback by the students and effectiveness of learning was found to be satisfactory. The College is acquainted of its responsibility towards the students. We analysed the feedback forms and observed the thrust areas which need to be taken care and the institution worked on its betterment. Weaknesses for each department were discussed. The outcomes of the discussions were taken to the consideration with a special emphasis on strengthening student progression. To improve the skills of our students, various workshops and hands-on are planned to be conducted in phased manner during forthcoming academic years. Library working time has been increased from 8:00am to 8:00pm as it's an integral part of learning. New books as per the curriculum changes are ordered well in time so that the student doesn't face any sort of problem. To equip students with recent trends to widen the horizon of their knowledge more conferences, seminars and field trips will be organized. The institution has upgraded to high-speed internet connectivity throughout the campus to enable students, faculty, and staff to access online resources. Improvement in infra-structure remains priority to cope up with the challenges of modern education system with addition or alternation of building that shall empower the institution to cater all the need of our students.

Action Taken Report on Feedback by Teachers (2022-2023)

Majority of the teachers expressed satisfaction with the institution's infrastructural facilities that are provided to support academic growth. Some of the suggestions given by the faculty were taken into the consideration and positive steps have already been taken to solve the issue. These are as follows:

1. Separate sitting facilities for the faculty and the students in Library were made.
2. The institution has upgraded to high-speed internet connectivity throughout the campus to enable students, faculty, and staff to access online resources and conduct research.
3. Library working time has been increased (from 8:00am to 8:00pm) for optimum utilization of resources.
4. Library is now having AC for comfortable and long reading habits
5. New books needed for students and teachers as per requirement of NEP are there.
6. Current books and e-journals should be subscribed.
7. A high speed internet facility is now available in our college. Routers with 5G are installed for better connectivity and technical up gradation.

Action Taken Report by Non-Teaching Staff Feedback (2022-2023)

Non-teaching staff are an integral part of the college and their everyday activities help the college function normally and seamlessly without any hindrance. About 95% of the non-teaching staff rates the administrative system of the college has improved in the last 5 years. Most of them are satisfied with the infrastructure linked to banking and medical facilities. ATM machine installation within the reach of all employees and students is in progress. Opportunities for personal and professional growth more skill enhancement and soft skill training programs will be conducted for all the non-teaching staff on regular basis in coming session. Moreover, Lab staff trainings will be conducted on regular basis and work balance will be taken care in respect of duties allocation.

Action Taken Report on Feedback by Alumni (2022-2023)

The College is conversant of its responsibility towards the students so that they show progression in their life. Considering the view of our Alumni, we try to improvise ourselves so that there is betterment and we may fill the lacunae of our students for holistic development. We analysed the feedback forms and observed the thrust areas which need to be taken care and the institution worked on its maintenance.

1. Suggested measures for infrastructure development were taken care off.
2. Seminar room, Committee room in both the building was renovated.
3. Workshops/conferences/seminars are conducted on the latest technology carrying industry insights. Planning to organize some more by our own illustrious alumni.
4. Value added courses for embracing students with human and social values will be organized by S.S.N. and in collaboration too.
5. Alumni relations will be further strengthened by frequent interactions and mentorship sessions.
6. To enhance participatory learning and experiential learning, collaborative industrial and academic institution visits will be organized.
7. Alumni meet will soon be planned for interaction and guiding present students.
