# SSN STUDENTS SATISFACTION SURVEY QUESTIONNAIRE

Dear Students

The National Assessment and Accreditation Council (NAAC) is a self-governing body that involves evaluating and accrediting higher education institutions across the country. This is an important step towards the NAAC accreditation that determines the institute's quality in terms of education, infrastructure, research, teaching and learning etc. This allows students to have their say in the assessment and quality improvement process and also helps in upgrading the quality of the Teaching–Learning and Evaluation process followed in the institution.
