to me, director

Dear Sir

With reference to your mail regarding the details of the internet connection at your college, it is informed that the University of Delhi is connected with 10Gbps internet connectivity provided by National Knowledge Network (NKN) at both North and South Campus separately.

Your college is also eventually connected to NKN internet connectivity through the MPLS-VPN connection from North Campus to your college over a speed of 250 Mbps.

Hope the above will suffice your requirement. In case of any query kindly revert back to us.

Thanks
