Prof. Parveen Garg

Principal, Swami Shraddhanand College

The college is committed to providing holistic education that nurtures academic excellence, personal growth, and active participation in campus life. With the University of Delhi finalizing the DUSU election date this month, students and nominees are reminded to follow the prescribed code of conduct and celebrate this festival of democracy with integrity and respect.

I urge all students to maintain regular attendance, stay focused on their studies, and make the best use of learning opportunities on campus. Discipline, consistency, and dedication remain the key to personal and professional growth.

01. Swami Shraddhanand College Elects New Student Union 2025–26

Swami Shraddhanand College, University of Delhi, successfully held its Student Union Elections for the academic session 2025–26 on September 18, 2025, with enthusiastic participation from students across all departments.

The elected representatives were: Jantin Rajput (B.Sc Physical Science, 4th Year) as President, Samarth Bhardwaj (B.Com Programme, 3rd Year) as Vice President, Rohit Dangi (B.A. Hons Geography, 3rd Year) as General Secretary, Laxmi Verma (B.Com Hons, 4th Year) as Joint Secretary, and Shalu Kumari (B.Sc Hons Zoology, 3rd Year) and Shanavaj Darbari (B.A. Programme, 2nd Year) as Central Councillors.

The college congratulates all the winners and expresses confidence that their leadership will enrich the academic and co-curricular life of Swami Shraddhanand College.

02. Introductory talks for YES+ program.

04. Skills that matter: Finance & Analytics Essentials for 2025

Seminar

The Har Ghar Dhyam Committee, in collaboration with Mr. Karan Rohera from Art of Living (AOL), organized YES+ (Youth Empowerment and Skills) sessions for first-year students of B.Sc., B.A., and B.Com on 1st and 3rd September 2025.

These interactive sessions focused on fostering positivity, confidence, and stress management, while motivating students to engage actively and cultivate essential life skills. Through guided activities and discussions, participants gained insights into maintaining emotional balance, building resilience, and enhancing overall well-being—laying a strong foundation for both personal and academic growth.

03. Debate and Poster making Competition

Under the guidance of Dr. Rohit Kumar Choudhary (TIC, Dept. of EVS), Swami Shraddhanand College, organized a Debate and Poster-Making Competition on 17th September 2025 to mark World Ozone Day. Focusing on the themes of sustainability and environmental change, the event inspired students to think critically and express their ideas creatively about pressing environmental issues.

The program was held under the patronage of Prof. Parveen Garg (Principal) and Prof. A. Archana (Acting Principal), with Dr. Rohit Kumar Choudhary as Convenor and Dr. Abhishek Chandra, Dr. Neetu Sharma, and Dr. Kiran Bala as Co-convenors.

The competitions offered a valuable platform for discussion, innovation, and artistic expression, strengthening environmental awareness and promoting sustainable practices within the college community.

The Department of Commerce at Swami Shraddhanand College successfully hosted a seminar titled "Skills That Matter: Finance & Analytics Essentials for 2025" on 29th September 2025, in collaboration with IMS ProSchool.

The event was graced by Principal Prof. Parveen Garg, TIC Prof. D. R. Jalwani, and senior faculty members including Prof. Renu Sobti and Dr. Aradhana Chadda Sachdeva.

Expert speakers Mr. Vaibhav Mehta and Ms. Jagriti conducted an interactive session on Power BI and industry-relevant tools, providing students with practical insights into finance and analytics. The seminar encouraged curiosity and equipped students with skills essential for 2025 and beyond.

05. Education Challenges in Alipur: NSS Survey

Field visit

The NSS unit of Swami Shraddhanand College, under the guidance of Dr. Ashutosh Kumar Jha, organized a comprehensive survey in Alipur on 15th September 2025 to study the status of child education and the living conditions of underprivileged families. The survey focused on understanding the socio-economic barriers that prevent children from accessing quality education. Findings revealed that a significant number of children remain out of school due to financial hardship and lack of awareness about educational opportunities.

This initiative not only aimed to identify families in need but also sought to promote the importance of education through interaction and community engagement. NSS volunteers actively participated in data collection and awareness drives, encouraging parents to prioritize schooling for their children. The effort reflected the unit's commitment to social responsibility and its continued endeavor to contribute to community upliftment through education and awareness.

06. Global Roti Day

Awareness drive

Guided by Dr. Ashutosh Kumar Jha, a survey was conducted by the NSS unit of Swami Shraddhanand College in Alipur on 15th September 2025 to study child education and the living conditions of underprivileged families.

The findings revealed that many children are deprived of schooling opportunities due to financial hardships. The initiative sought to identify families in need, raise awareness about the importance of education, and encourage community efforts to ensure that every child has access to learning and a brighter future.

07. Vikshit Bharat ke Rang Kala ke sang

Outreach

The NSS unit of Swami Shraddhanand College, under the convenership of Dr. Ashutosh Kumar Jha, participated in the event "Vikshit Bharat Ke Rang Kala Ke Sang" on 19th September 2025.

The program focused on youth empowerment and the idea of a developing India through art, helping participants understand the essence of Vikshit Bharat as a vision of holistic and inclusive growth.

..... Faculty Honors and Achievements

01. निर्मला साहित्य हिंदी रत्न पुरस्कार

Award

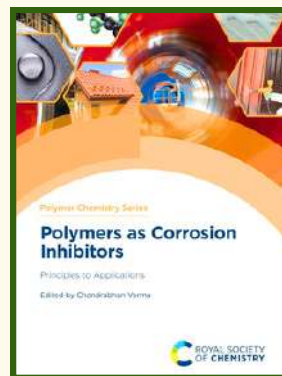

On 7th September 2025, Prof. Pradeep Kumar received the "Nirmala Smriti Hindi Sahitya Ratna Puraskar" at the International Hindi Literature Festival 2025, organized by the Nirmala Smriti Sahityik Samiti (Regd.), Haryana.

He was recognized for his outstanding contribution to Hindi language, literature, translation, and the promotion of Indian culture.

Research paper

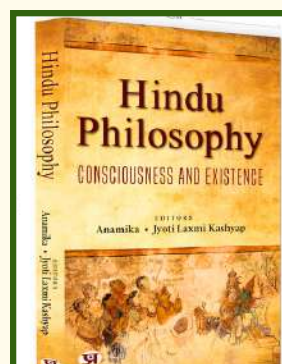

Dr. Sakshi Agrawal, Assistant Professor, Department of Commerce, published a research paper titled "Artificial Intelligence and Accounting Research" in the Indian Journal of Accounting (Vol. 57, Issue 1, June 2025, pp. 96–124).

She was also granted a patent on 14th July 2025 for her Employee Performance and Appraisal Analytics Helpdesk Device, and her work "DISCERN: Disclosure Evaluation Checklist for Responsible Narratives" was copyright registered on 19th September 2025, highlighting her contributions to research and innovation.

04. Hindu Philosophy: Consciousness and Existence

Book

"Hindu Philosophy: Consciousness and Existence", authored by Dr. Jyoti Laxmi Kashyap, Assistant Professor in the Department of English, was published on 26th September 2025 by Prabhat Prakashan Pvt. Ltd. The book explores the core ideas of Hindu philosophy, focusing on consciousness, existence, and the inclusive principles that make it relevant to contemporary life.

..... Faculty Honors and Achievements

05. Research Excellence Award

Award

Prof. Madhulika Singh, Professor in the Department of Botany, has been honored with the prestigious Research Excellence Award by Delhi Technological University (DTU), Delhi. This esteemed recognition celebrates her remarkable achievements and sustained contributions to advancing research in the field of Botany. Prof. Singh's extensive work spans areas such as plant physiology, environmental biology, and sustainable plant-based innovations, reflecting her dedication to scientific excellence and innovation. The award acknowledges her impactful research publications, mentorship of young scholars, and her commitment to promoting interdisciplinary approaches within the biological sciences. This honor stands as a testament to Prof. Singh's leadership and lasting influence in fostering research excellence and academic growth in the field of Botany.

06. A Key Research in Microbiology

Research paper

Prof. A. Archana, Department of Microbiology, has made significant contributions to research with the publication of two papers in 2025. The first, "Biofilm and Antimicrobial Resistance: Mechanisms, Implications, and Emerging Solutions", appeared in Microbiol. Res. (Vol. 16, 183). The second, "Investigating the Therapeutic Potential of Tabernaemontana alternifolia Bark for Managing Lung Squamous Cell Carcinoma", was published in Plant Science Today reflecting her ongoing contributions to microbiology and pharmacological research.

07. Phd Awarded

Dr. Mansi Kapoor, Assistant Professor in the Department of Commerce, was awarded her Ph.D. from the Indian Institute of Foreign Trade (IIFT), New Delhi, in September 2025.

This accomplishment marks a major academic milestone, reflecting her dedication to research excellence and professional growth in the field of commerce.
