SWAMI SHARDDHANAND COLLEGE, (UNIVERSITY OF DELHI)
ALIPUR, DELHI- 110036

Notice for Re-registration Form for Improvement

(Applicable to students of UGCF-NEP who are presently in their 3rd, 5th, and 7th Semesters, as well as Ex-students of NEP admissions -2022 onwards)

Dear students,

As per the University of Delhi Notification CNC-II/093/1(22)/2022-23/dated 10 February 2023, Point No. 9,https://www.du.ac.in/uploads/new-web/22032023_Notification%20-%20Amendment%20to%20Ordinances%20VIII.pdf, students are eligible to improve their marks in the subsequent year, in the odd/ even semester as applicable. Therefore, if you are planning to improve the result (including ER) of any paper conducted in **NOV- DEC 2026**, you may improve the same in the subsequent year in the odd semester. Interested students are requested to complete this Google Form.

IMPORTANT 1: Students of the 2022 Admissions who have exited in July-August 2025 are also eligible to fill out this form to improve their 5th-semester results, including ER. They are also eligible to fill out this form to clear the ER papers for the 1st and 3rd Semesters.

IMPORTANT 2: **Students who are not promoted to the next year**, after the declaration of 3rd,5th, and 7th semester, for not fulfilling the DU promotion criteria (**marked "Failed" in the mark sheet**) **must fill their registration form as an Ex-Student** to repeat the papers in which they are eligible for re-registration.

Please Note:

1. **Those who would like to improve only, the marks in the Theory (Term End) Examination, without improving IA/IA+CA, do not have to fill this form.**
2. **This form is compulsory for those who would like to improve their IA (Internal Assessment) and /or CA (Continuous Assessment- Tutorial/ Practical as applicable).**
3. IA can be improved with or without improving the attendance component.
4. CA can be improved only if you have scored **Grade F in GR (T) or GR(P).**
5. CA can be improved only by repeating the whole paper, including attending lectures and tutorials/practicals, submitting assignments and class tests, and reappearing for the Term End Theory Exam.
6. If the student has cleared the paper **(not marked as ER or not marked as 0 in CRPT in the marksheet)**, despite scoring F in GR (L), GR (T) or GR (P), the student may choose to improve or not, as per their interest.

7. **The chance for improvement is only available in the subsequent year in the corresponding semester**. For example, 1st-semester paper grades can be improved in the 3rd semester, not in the 5th semester. However, if a student received ER in a 1st semester paper and could not clear it on the 2nd attempt in the 3rd semester, they will have a chance in the 5th semester to clear it.

8. The college will publish the list of eligible students within a week from the last date of filling out the Google form.

9. **It is the responsibility of the student to attend the classes, submit the assessment requirements as applicable, and fill the improvement /ER form on the e-Samarth Portal for Examinations to be conducted in NOV- DEC 2026.**

10. **Students are also informed that the final list will be forwarded to the University of Delhi, and** marks awarded to you (re-registered students), previously in the component of IA/Tutorials/Practicals in the papers opted by you for improvement, will be replaced by the new marks, irrespective of improvement/reduction in marks.

11. Kindly fill this form after reading all the instructions carefully.

12. A nominal fee of Rs. 100/- will be charged per paper from students for re-registration. Payment may be done collectively. Kindly provide the transaction number, amount, date, and time.

13. Kindly fill out separate Google Forms for separate papers.
